Autumn School for Sustainable Entrepreneurship 14 – 19 November 2016, Berlin, Germany

You will find all necessary information about the aims, the contents and the logistics of the Autumn School on our website <https://asa.engagement-global.de/autumn-school-for-sustainable-entrepreneurship.html>. Please send your application (in English!) as a pdf to autumn.school@engagement-global.de by 18 September 2016.

A complete application must include...

- CV
- the completed application form
- a relevant reference showing your experience in the field of sustainable entrepreneurship.

Requirements for applicants

The Autumn School is aimed at entrepreneurs guided by social and ecological principles or university students with relevant knowledge and considerable interest in the field of sustainable business. The format is particularly suited for entrepreneurs who are in an early-stage phase of their project (prototyping, piloting or still articulating an idea).

You can apply for the Autumn School for Sustainable Entrepreneurship if...

- you are aged 21-35 and resident of an African country or Germany
- you are fluent in English
- your business or project aims to solve a relevant social or ecological problem
- you are strongly motivated to think and learn globally and to act as multiplier for sustainable business in your home country.
